

All Saints with St John the Baptist, Stamford

Deo Gratias!

Faithful – Confident – Joyful

Our meetings on Sunday to worship and enjoy fellowship and hear Justine were the start of a month in which I hope we shall think about our life as disciples of Christ, and especially about our giving as part of that discipleship.

On the last Sunday in February, the 26th, which is also the last before Lent begins, we shall renew our commitment to Christ at all our services, and attached below is a form you may like to bring along then, or submit in advance, as a symbol of that renewed commitment. It is a personal, spiritual commitment and will be offered symbolically on the Holy Table at the offertory on the 26th: there is no name space included; it is between you and God.

If as a result of this renewed commitment you wish to change the amount you regularly give, or the way you give, or you wish to start giving regularly, then detailed pledge forms are also available for this purpose, both today and over the next three weeks. While the PCC is delighted to receive pledge forms at any time, it would be helpful to have as many as possible by 26th February, please, so that we can move on to other priorities.

If other spiritual and discipleship matters have arisen for you then your clergy would be happy to talk to you, and if you wish to make new or different offers of time or talents there will be opportunities to think about this during Lent – servers and singers are always especially welcome!

Cut or tear off

Thanks be to God!

My personal response to God's generosity

In gratitude for all God has given me and as a symbol of my self-giving to him, I undertake to give to God through his Church £ per week/month/quarter/year.

I will give my time in worship and my talents in service, recognising that God has given me all my life and my abilities.
